Transportation Information

SAFETY FIRST!!

ALL STUDENTS MUST BE AT THE BUS STOP AND IN THEIR DESIGNATED “PLACE OF SAFETY” TEN (10) MINUTES BEFORE BUS IS SCHEDULED TO ARRIVE (Ohio Administrative Code 3301-83-13), REGARDLESS OF WEATHER.

ALL STUDENTS MUST HAVE AN AUTHORIZED BUS STOP LOCATION. THEY CANNOT GET ON OR BE DISCHARGED AT A DIFFERENT STOP. If they miss the bus, you must transport them to school. Do not follow the bus and try to have your student put on or released from bus.

- Pre-school thru 2nd Grade – A Parent/Guardian must be at the designated bus stop at pick up and drop off time. If no Parent/Guardian is at drop off location the driver will not let student off the bus.
- Parents/Guardians are responsible for the safety of their child while going to or coming from the bus stop and while waiting at the bus stop.
- It is State Law while unloading the bus the child must proceed to their place of safety and stay there until the bus leaves.
- Remember that 20 steps around the bus is a “DANGER ZONE”. The driver can’t see you!
- Students must get on and off at assigned stop locations.
- If you are planning on moving, please contact the Transportation Office at least 3 days prior to give ample time to process new stop locations and bus times.
- The child should only carry those things on the bus that will fit on their laps.
- **There will be NO daily passes to go home with someone else.**
- **It is the responsibility of the parent/guardian, not the school, to solve temporary scheduling problems by arranging rides or supervision with relatives or neighbors. Daily requests are very difficult to process and an error can result in a child arriving somewhere they are not expected.**
- **Students will have only one pick-up and drop-off location. (Due to child care needs the pick-up location may be different than drop-off location.)**
- Emergency requests for bus route changes will only be approved in family emergency situations and only if the transportation office is notified in writing and the alternative stop is available on a current route. These requests must be received by the Transportation Office by 12:00 PM.
