

BoxTops for Education Collection Program

Greeneview Elementary collects BoxTops for Education. The BoxTops are available on many products, and every BoxTop logo we turn in provides cash for our school. We ask our school families and their friends and relatives to collect the BoxTops from many popular food and supply items and send them in with your children for their classroom collections. Each classroom competes to win a classroom pizza party for each collection cycle. There are three collection cycles each year.

It's easy to participate:

- 1 Cut out the BoxTop logos from the products you are already buying.
- 2 Send the BoxTop logos in with your children for their classroom collections.

Our PTO manages this program for us. Each year, we receive between \$1,500 and \$2,000 to spend on materials and programs for our school.

Here's a partial list of popular products with the BoxTops logo:

General Mills Cereals and food products

Betty Crocker products

Fruit Rollups

Hefty products

Ziploc products

Scott Paper products
